

King Philip/Wrentham Recreation

Volleyball Training Clinic

High School Girls

Grades 9th, 10th, 11th, 12th

This clinic is intended to help players prepare for their high school tryouts and 2021 season. Sessions will stress all fundamental and technical aspects of volleyball - includes positional training, combined skill training and game play. The clinic will help refine your skills and give you confidence entering your tryout.
