or all 3 clinics**

Week 1: Focus on The Kitchen (NVZ)

January 30, 2025

Designed to enhance your skills in the kitchen, the non-volley zone. Learn the art of the dink shot with proper form, timing, and placement to outsmart your opponents.

- Kitchen Fundamentals: Strategies for effective play in the kitchen.
- Dink Techniques: Precision, consistency, and touch.
- Game Strategy: Setting up and responding to shots in the kitchen.

Week 2: Focus on Transition Zone/3rd Shot Drop

February 6, 2025

Improve your third shot drop to excel in strategic transitions from serve to serve receive. Learn effective ball placement and tactics to gain an edge over your opponents.

- Third Shot Drop: Perfect your technique for consistent, accurate drops.
- Transition Skills: Smoothly transition from serving to receiving.
- Strategic Ball Placement: Develop strategies to outmaneuver your opponents.

Week 3: Focus on Serve/Return and Movement/Positioning

February 13, 2025

Elevate your skills in every aspect of the game! Focus on mastering powerful serves, improving your serve receive, and perfecting those strategic court transitions. Get ready to outplay your opponents with finesse and confidence!

- Mastering Serves: Learn to deliver powerful and accurate serves.
- Improving Serve Receive: Strategies to return serves with precision.
- Court Transitions: Seamless gameplay from serve to rally.
