

## Wrentham Recreation Summer Playground 2021

Welcome to Summer Playground 2021! We are glad you have decided to join us for some fun and games this summer. If you have attended prior years, there are some changes for this summer. First, we are now located at Rice Complex, 54 Emerald St this. The camp hours have also changed. The new camp hours are 9AM-1PM Monday through Friday. We will not have an inside location this summer, so in the event of a day of continuous rain, Playground will be canceled. We will notify you either by email or text message by 8:00AM if Playground is canceled for the day. If there is light rain or drizzle for part of the day we will still have Playground. We have a covered patio area where we can stay dry, but campers are encouraged to bring a rain jacket for any activities that may take place outside of the patio.

If there is a pop-up thunderstorm lasting on a short time (less than ½ hour) we will take cover inside the building until the storm passes. If there is heavy rain or thunderstorms lasting more than ½ hour, the children will need to be picked up early. Please have a plan in place for pick-up in the event you are not available on short notice.

Morning drop-off will be 8:50-9:00AM at the patio area behind the Recreation building. There will be no supervision prior to 8:50AM. Pick-up is at 1PM. Children will need to be checked in with a staff member when arriving and signed out by an adult before they can leave. If your child will be walking or biking home, please send a note with your child letting us know.

If your child has an allergy that requires an EPI-PEN, it must be brought with them daily, clearly labeled and with instructions. Other medications must come with written instructions, permission to administer, and clearly labeled.

## DAILY NEEDS

Children should bring with them daily:

A backpack or bag for their belongings

A towel (to sit on at snack time and for hot days when water games are played)

Sunscreen should be applied before your child comes to camp, but they should bring some to reapply during the day.

A large, refillable water bottle, clearly labeled

One or two good sized snacks

A mask, in the event that we need to be in the building because of rain

**Please clearly label all belongings**

Electronic devices are not allowed at camp. If your child has a cell phone, it must be kept in their backpack during camp hours, and not used without permission from a staff member.

### 2021 Summer Playground Staff

Donna Burt – Program Director 508-269-5025

Kyra Edgerly – Site Director 508-612-4535

Tommy Dalton – counselor

Ryan Puorro - counselor

Samantha Purdon - counselor
